

NEWS/TALK MORNINGS & PD FOR OREGON COAST

NNB Radio is seeking its next morning show host & program director for KAST AM 1370 and KKEE Fox Sports Radio AM 1230 in Astoria, OR. The person we seek will be able to handle the KAST morning show (6-9a.m.) which features a full service approach including local news, information, talk and interviews with local, regional and national guests. Beyond mornings, we need someone who can work with our management team on the continuing development and growth of KAST's heritage news/talk format, community involvement, news department, web presence and KKEE's sports talk format and overall syndication relations.

This is small market radio at its best and we're writing a new rule book on how to do radio today in a competitive environment. The person we're looking for has a minimum of five years experience in either mornings or programming in the full service/news-talk format. If this is your job...send your materials including resume, references, air work and production samples to Tom Oakes, VP/Programming, NNB Radio, 833 Gambell Street, Anchorage, AK 99501 or e-mail your materials to tom.oakes@nnbradio.com.
